

Four Levels of Healing

There are Four Levels of Healing that Operate in the Holy Spirit and through God's people. Allow me to share my observations below:

***Word of Faith**

Rom 10:17 Faith comes by hearing the Word. Teaching or preaching on healing activates this level. Testimonies also produce this.

The Roman Centurion understood authority and power:

Mat. 8:5 When Jesus had entered Capernaum, a centurion came to him, asking for help.

Mat. 8:8 The centurion replied, "Lord, I do not deserve to have you come under my roof. But just say the word, and my servant will be healed.

Mat. 8:13 Then Jesus said to the centurion, "Go! Let it be done just as you believed it would." And his servant was healed at that moment.

The woman in Mt. 9 or Mark 5 had heard and therefore had faith to press in.. She also had a testimony in her heart even before receiving her healing..

Examples: Mt. 9: 21, 22. the Woman said.. I know if I can just touch Him.. I will be healed.

Mark 5:30 At once Jesus realized that power had gone out from him. He turned around in the crowd and asked, "Who touched my clothes?" Jesus ministered in the power of the Spirit.

Luke 6:19 and the people all tried to touch him, because power was coming from him and healing them all.

***Prayer of Faith**

Scriptural Directions:

Mark 16:20 They shall lay hands on the sick and they shall be healed.

James 5: 17 & 18 – These are Instructions from God.

James 5:14 Is anyone among you sick? Let them call the elders of the church to pray over them and anoint them with oil in the name of the Lord.

James 5:15 And the prayer offered in faith will make the sick person well; the Lord will raise them up. If they have sinned, they will be forgiven.

James 5:16 Therefore confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous person is powerful and effective.

(Elijah prayed 7X before the promise of rain manifested. So we must persist in praying for the sick..as often as is needed)

One aspect of healing that sometimes is overlooked in ministry is demonic spirits of affliction or infirmity.

Act 10:38 how God anointed Jesus of Nazareth with the Holy Spirit and with power. He went about doing good and healing all who were oppressed by the devil, for God was with him.

I believe all sickness, disease and illness is a result of the fallen sinful nature of mankind. In born again Believers their sins are forgiven but occasionally demonic spirits will afflict a Believer with some infirmity. In general when praying for the sick we should make sure they have no bitterness, anger or unforgiveness harboured in their hearts. If they do, then they need to repent of those sins and ask for God's forgiveness. I saw one lady who came to the meeting in a wheel chair with severe arthritis in her joints. After she repented of bitterness and asked God to forgive her, she was instantly healed and delivered. I as with the others praying for her literally heard her joints cracking as she was healed. I share more about this in the Ebook – God's Word on Healing.

There are of course other reasons for physical problems such as accidents, injuries, lack of calcium, lack of Vitamin D or other essential minerals that most people lack in their diets. Improper eating habits also cause physical problems. I remember one man who bought himself a Deep Oil Fryer and within 6 months was in the hospital with heart problems because of restricted arteries.

These first two Levels of Healing depend on the participants working with God and what He has instructed us to do.

There are also two manifestations of healing operating Under the Sovereignty of God:

- ***Word of Knowledge:** Isa 11:2 And the Spirit of the LORD shall rest upon him, the Spirit of wisdom and understanding, the Spirit of counsel and might (power), the Spirit of knowledge and the fear of the LORD.
- **Notice that connection between Counsel & Power which is found while waiting in His Presence. Notice also when we receive the council of God it connects us to His power. This is the O.T. reference to a Word of Knowledge.. which is the vehicle through which Healing or any other power manifestation occurs. Jesus operated in this all the time. He said, I only do and say what I see or hear the Father doing.**

1 cor 12: 8- Lists this gift of course and it has many applications in ministry.

The Fourth Level of Healing is

- ***Healing Anointing:**
- **On a corporate Level or when the Sovereign Power of God begins to move with healing Power. This can occur in a service.. and is evident when people just begin to get healed, delivered etc. while in His corporate Presence. His power of healing breaks out and people get healed without having specific prayer, or being anointed with oil or having hands laid on them. The minister may not even be**

preaching about healing.. but has lead them into the Presence of God. This is often how Jesus functioned. The power of the Lord was present to heal... see below:

Luke 5:17 and Luke 6: 18,19 Many tried to touch Him because power was flowing out of Jesus and healing them all. This is why the woman in Mt. 9.. knew, if she touched Him she would be healed. She had heard about this happening and so came expecting her miracle. See Mt 14 :36 also for the same level being demonstrated.

In some meetings that I preached at in Brazil, the power of the Lord was so evident. People were being healed during the services without specific prayers being spoken over them. People were invited during the worship to come forward and place their offering on a blanket laying at the front on the carpet. Some of those people would fall down under His power as they came up the center aisle without anyone touching them.... but touched by the power of God. During the ministry time at the end of the service people were getting struck down by the power of the Lord. There were no "Catchers" and it looked like some were being electrocuted because His power was so strong. In those services ushers as reverently as possible would drag the bodies over to the side of the tent, so others could come forward. Most of these people came from Roman Catholic backgrounds and were so hungry for God. All I did was lift my hand up without touching them and say "Em Nome de Jesus" and they would fall down under the power of God. Truly amazing. God protected me by making me feel completely detached from all emotions. It seemed like I was observing myself doing this ministry, as if in a trance or something like that and I remain thankful for that aspect of this. I knew what was happening had absolutely nothing to do with me. It was God alone. When His Presence and power is welcome in a gathering He will and I say it again... He will manifest His healing power.

In your ministry try to activate all 4 levels of healing or some may not receive, if limited to 1st or 2nd levels. Some will miss what God wants to do, if expecting only God to touch them on level 1st or level 2.

You can usually operate in all four levels within one ministry setting if you follow the Holy Spirit's leading. After praying for some.. then ask for some testimonies. Or start a service with someone's genuine testimony. Use wisdom here, of course. Keep your hand on the microphone and ask them specific questions.. what were you suffering from?, did you see a doctor... how long did you have it?. When we prayed what happened? Is the pain gone? What can you do now that you could not do before? what did you feel when God healed you?

If you lead in this way.. you will guide the person testifying (some people get so nervous in front of others they just start and can not quit talking..).. so that you don't end up with someone rambling around for 20 minutes and who knows where you end up. Do testimonies like this

and sometimes it is wise to pre select them .. so you know what is coming. I have seen some people (a few.. not many) that have completely killed faith in a service because they just glorified the devil, so you do have to take leadership in this important area.

In conclusion ...give the Holy Spirit the opportunity. Preach, teach, instruct people on Healing. Just stick to the Word of God and what God has said already. Will everyone receive healing? Not likely.. and there are many reasons why not. I share some of those reasons and how to overcome those negatives in the E Book ..God's Word on Healing. These E Books are being given as a gift to any who will receive them.
